

Medway 16 Gravesend 3

Medway produced a shock result in the Kent Cup 1st round by defeating National league Gravesend 16 points to 3 a wet and windy Priestfield on Thursday evening under floodlights and into the wind during the first half, the game remained scoreless until the interval. The home team enjoyed plenty of possession as the forwards dominated their opponents at the set piece and only determined and sometime last ditch defence from Gravesend prevented them from scoring.

A try from Fred Tila and 11 points from the boot of stand in Captain, Dan Harvey, saw Medway secure a deserved win after a fine team performance. Medway now face Tonbridge Juddians in the second round at Priestfields with the date of the game to be agreed by both clubs.
